

Lake County Health Department Immunization Clinic  
2900 W. 93<sup>rd</sup> Avenue  
Crown Point, Indiana 46307

## **NEW CLINIC PROCEDURES**

Effective May 18, 2020

Due to the COVID-19 virus, the Immunization Clinic will be implementing the following new guidelines.

1. Pre-registration will be required for all children.
2. Children will be seen by appointment only. Please call (219) 755-3658.
3. Prior to entering the Clinic, temperatures and any symptoms will be charted.
4. **ABSOLUTELY NO WALK-INS WILL BE SEEN.**
5. Individuals older than 4 years, including parents, are encouraged to wear a mask while attending the Clinic.
6. The above procedures are subject to change.

Indiana requires that all children are current with the CDC recommended immunization schedule before entering kindergarten, 6<sup>th</sup> grade and 12<sup>th</sup> grade.

If you have no insurance or have Medicaid, you must bring your Medicaid card with you and you will qualify for State vaccine.

Individuals requiring a TB skin test must call for an appointment.  
The cost for a TB skin test is \$17.00.
